

Oasis Table - Rectangular

It's what's inside that counts!

This versatile table arrives with a copper pan to set plants in, a glass covered vitrine to display curious objects and a retractable underpanel to see through to the floor (the glass stores underneath the table when not in use).

Shown in walnut veneer in a pinwheel box pattern with a medium finish.

Also available in maple, cherry, white oak, mahogany, ash, and bamboo.

Designed by Ted.
