

HEDGE DRESSERS

Inspired by Japanese Noren curtain panels, the doors slide effortlessly to reveal and conceal entertainment components within. The vertically integrated handle provides a pleasing pull and appears to peel back the curtain. Alternating grain direction on the doors subtly play across the lateral face of the case.

Three basic configurations to work with: High, High-Wide and Short.

Varied drawer depths help to organize the contents.

DIMENSIONS

High: Narrow and upright. Six drawers high.

24.5"W x 18.5"D x 53"H

High-Wide: Generous storage with six drawers on one side and a vertical door on the other with four adjustable shelves within.

40"W x 18.5"D x 53"H

Short: Compact and functional. A good height for a dressing table or hall console.

30"W x 18.5"D x 35"H

WOOD/FINISH

Case + Legs available in all TB standard wood and painted finishes

Metal Leg Armature available in TB Standard powder-coat finishes

Finish Options: Combine Wood + Painted finishes to suit:

A - Wood overall - body, drawers/doors + legs

B - Wood body, interior + legs with painted drawers/doors

C - Painted overall - body + drawers/doors with wood-finished legs

D - Painted body + interior with wood-finished drawers/doors + legs

Interior drawer boxes are always painted to match the specified paint color or if the cabinet is all wood they will be painted Ballet White as a default.

Interior Shelves + Interior Cavity will match the specified body wood + finish or the specified paint color.
